## Watch Out.

**I**F in grocery stores, in cooking schools, or by peddlers in your kitchen, other baking powders are recommended or urged upon you in place of the Royal, reject them. It is unsafe to substitute any baking powder in place of the old standby, the thoroughly tried Royal. The official reports show that all others are cheaper made powders of inferior strength, and contain lime, alum or sulphuric acid.

### OUR BEAUTIFUL CEMETERY.

#### Improvements Recently Made, Under Construction and in Prospective.

The Cemetery Company are making improvements gradually which promise at no distant day to make this beautiful resting place of the dead the equal in its appearance and keeping of any of the largest and best cared for cemeteries in the country. One improved feature demands another, and another a third until within a short period it is observed a complete transformation has taken place before the citizens are aware of any change whatever. The unsightly house was removed a little over a year ago to make room for the beautiful chapel, and the old gate at the entrance was replaced by a handsome new one and iron structure. This was followed by the smoothing and laying off into lots and a new driveway of the extreme western portion and the erection of a number of elegant monuments. Increased beauty added inspiration and redoubled efforts to keep the grass, flowers, shrubbery, trees and drives in the most perfect condition, until at the close of the long service of the late sexton, Mr. Wm. Craik, the grounds are as unsurpassed in the beauty evolved from the work of man as they stand preeminent in the natural beauty of a rolling surface and high elevation. The latest improvement which the company is making is the construction of a sidewalk and stone wall of rubble masonry, surmounted by a smooth dressed coping along the property abutting on the turnpike. It will present a great change for the better in the exterior view of the grounds, and will be the initial step in the sidewalk and sidewalk improvements that will be made later along the turnpike from High Street to the cemetery gate. If it were only possible now to infuse public enough in the City Council or Cemetery Company to restore the beautiful river sidewalk along the edge of rocks to the top of the hill at Alexander's monument, what an added pleasure would be experienced in a walk to that spot, shadowed in the hearts of all Kentuckians by memories of Boone, Crittenden, Brown, Blackburn, Hara, Johnson and hundreds of others resting there in eternal sleep.

### The Ladies' Meeting.

The meeting of ladies in the parlor of the Capital Hotel last Saturday evening was largely attended and was presided over by Mrs. Jennie C. Morton. It was rather an Owens meeting than a purely anti-Breckinridge one, and a glowing tribute was paid to Mr. Owens by Mrs. Morton. The ladies subscribed a neat sum toward the expenses of the free train from this city to Paris on Tuesday, through their finance committee, consisting of Mrs. W. M. Saffell, Mrs. Chas. F. Exum and Mrs. Jas. A. Scott. Two coaches of the train were almost entirely filled with ladies who went to the barbecue.

### A Curious Phenomenon.

The dense clouds of smoke which accompanied the strong wind that set in from the west Monday afternoon, and which are supposed to have come from the northern forest fires, were a most curious phenomenon. They prevailed all over this section of the country, and at times were so dense as to shut off the view of objects not over a half-mile away, while the smell of smoke was plainly perceptible. By Tuesday morning, however, the smoke had entirely disappeared, and a grateful change in temperature had relieved the oppressive heat of several weeks past.

### Twenty-five Cents

Isn't much money but it will buy a bottle of the finest Cough cure on earth. That is what we claim for Dr. Hale's Household Cough Cure and what thousands of people have told us. Don't neglect a cough. It may cost you as many dollars, or possibly your life. When you feel the first symptoms go to P. H. CARPENTER's drug store, invest 25 cents in a bottle of Dr. Hale's Household Cough Cure and cure yourself.

### Land For Sale or Rent.

The attention of farmers is called to the advertisement, in another column, of Mr. C. M. Jones, offering 300 acres of land for sale or rent.

### The Modern Beauty.

Thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. If her system needs the cleansing action of a laxative remedy, she uses the gentle and pleasant liquid laxative Syrup of Figs.

Dr. Price's Cream Baking Powder  
World's Fair Highest Medal and Diploma.

### Are Having Trouble.

The Kentucky river packets are having considerable trouble in making their regular trips from this city to Louisville, notwithstanding their very light draught, owing to the low stage of the Ohio, which has now less water than for several years. The Kentucky is not affected, owing to the slack water from its locks and dams, but a heavy rain at the headwaters of both streams would be a great blessing.

### Josiah Allen's Wife.

The famous authoress of "My Opinions" and "Betsy Bobbetts," states that she owes her freedom from colds and general good health during the winter season to the use of Dr. Hale's Household Ointment which she regards as the greatest medicine of the age. Old Dr. Hale having been her physician years ago gives her great confidence in all of Dr. Hale's Household remedies, the best in the world. Sold by P. H. CARPENTER.

### FRANKFORT COLLEGE

Opens With a Large Attendance and Assuring Prospects.

The first session of the college opened Wednesday of this week with an enrollment of over sixty and an assurance of seventy-five or eighty. This is far more than flattering—a great success.

Better still is the high order of talent represented. A brighter, more promising class of pupils is rarely gathered in any school. The faculty as now constituted consists of nine efficient members, capable of the best work in our highest colleges for young ladies.

We are pleased to learn that young ladies who have passed school days and some married ones, as also young men who are lovers of music and elocution, are applying for admission in these departments.

Mrs. Lea, teacher of piano and vocal music, is a graduate of the Conservatory of Music, Leipzig, Germany, and has no superior as a teacher of music in the State. She will form a special class in harmony.

Miss Spraight brings like qualifications to the department of elocution and diction and will take pupils of any age for special lessons in both of these.

The college is to be founded on hard work and the best fruits of higher education.

It deserves and is getting the patronage of those who most highly appreciate solid and liberal education.

Miss Mary Burke, one of Kentucky's talented artists, is forming classes not only in oil painting but crayon and china painting and other branches of art.

A. M. Bailey, a well known citizen of Eugene, Oregon, says his wife has for years been troubled with chronic diarrhoea and used many remedies with little relief until she tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which has cured her sound and well. Give it a trial and you will be surprised at the prompt relief it affords. 25 and 50 cent bottles for sale by PHIL. CARPENTER, South Side Druggist.
